## MOVE IN - MOVE OUT BULLETIN

---

---

This bulletin contains final set-up information for the 2008 Bay Bridge Boat Show. Please pay particular attention to your move-in time as it is imperative that boats in the water and on land be ready to proceed into their designated spaces at the time allotted to them. Because most boats are in assigned slips, if you do not make your move-in time and the cribs are closed, there will be no access to your assigned slip. If boats on land are not ready to load into their land space at the allotted time, they will be taken only as time and space allows (this may mean a lengthy wait).
